What does this program do?

The program helps teams understand how they score on the key components of The Five Behaviors model: Trust, Conflict, Commitment, Accountability, and Results. Individual team members will learn about their own personality style and the styles of their team members—based on the Everything DiSC® model—and how their style contributes to the team’s overall success.

A productive, high-functioning team:

- Makes better, faster decisions
- Taps into the skills and opinions of all members
- Avoids wasting time and energy on politics, confusion and destructive conflict
- Avoids wasting time talking about the wrong issues and revisiting the same topics over and over again because of a lack of buy-in
- Creates a competitive advantage
- Is more fun to be on!

The single most untapped competitive advantage is teamwork.

To gain this advantage, teams must:

- **Trust** one another
- **Engage in Conflict** around ideas
- **Commit** to decisions
- **Hold one another Accountable**
- **Focus on achieving collective Results**

The program includes:

- Assessment: 3 sets of questions, full adaptive version of Everything DiSC, team survey, and team culture questions
- Individual Profiles, Team Progress Reports, and one-on-one Comparison Reports
- Participant handouts, take-away cards and activities
